## Business Paper 商業用紙系列

### Premium Copier Paper

As a green supplier, most of our products come from Farmed Trees. It is our belief that Farmed Trees are better source of material in pulp-making than forest trees. Moreover, by using Farmed Trees we minimize damage to the environment. The ISO 14001 and EMAS international production standards confirm that Farmed Trees can be converted to standardized, high quality and reliable copier paper. This premium copier paper is suitable for copying, laser printing, inkjet printing and off-set printing.

### 高級商用影印紙

為您提供多種品牌選擇，優質可靠，價廉物美。選用優質原料，木漿源自“人工種植林”，不損地球生態。製造影印紙的過程嚴謹，是依據 ISO 14001 及 EMAS 國際認可標準生產，給您品質保證。無論用於高速影印、鐳射打印、噴墨打印、柯式印刷均可。防潮包裝，存放期長，給您十足信心。

### Digital Colour Copy paper

Our digital colour copy paper is highly recommended. The paper is manufactured using state of the art technology. Smoother paper surface results in better colour printing giving excellent effect. The original copy is incredibly hard to distinguish from the copy output under the naked eye!

### 數碼彩色影印紙

誠意向您推介高品質專業彩色影印機用紙，採用高科技生產；紙面光滑，特顯打印效果，使影像與原稿一致，發揮彩色影印之完美功能。

### Colour Paper Quality

We supply a wide range of excellent quality colour paper that is suitable for double sided copying, laser printing and off-set printing. Different kinds of documents can be printed in different colour paper to enhance presentation.

### 顏色影印紙

紙質色澤鮮明，供多種顏色選擇，高質素用料製造。適合雙面影印、鐳射打印及柯式印刷，打印效果鮮明，便利於文件分辨的處理，提高您的工作效率。

## Computer Form

Our Japanese extra-white dot-matrix computer form is made of special material making it more stiff than others. This computer form is more effective in reducing the incidence of paper-jam.

### 電腦紙

日本特白針孔電腦紙，由優質紙料製造，紙質特韌，減低卡紙的機會，提高工作效能。

## Fax Paper

This first grade thermal fax paper, imported from Japan, is excellent for printing clear vivid images. The fax paper is packed in anti-humidity form to ensure quality printing. Blurred images or missing messages are prevented by using this high grade fax paper.

### 傳真紙

由日本入口的感熱傳真機卷紙，經特別包裝處理，儲存期特長；感應度高，顯像清晰，令您不會錯失每一個重要信息。

## Sinel Label

Label carrying European brand name "Sinel" is good for laser and inkjet printing. As "Sinel" labels are thicker than other brands available in the market, a smoother effect is achieved in the printing process. "Sinel" also supplies, free of charge, a label printing software to make printing more convenient for you. A wide variety of word font, bar code, image and CD cover are available in the user-friendly "Sinel" software.

### 打印專用標籤

誠意為您推介歐洲"司令牌"標籤，適用於各種鐳射打印機及噴墨打印機，更備針孔電腦打印機標籤，以供選擇。標籤用料特厚，打印時更見順暢。配合產品之免費電腦軟件一同使用，為您帶來更多完化的標籤製品；其中包括：加入圖像、不同字款選擇、設計條型編碼(Bar Code)及鐳射唱片封面等。

## Laser Toner

We also provide original and compatible laser toners to our customers. To ensure high quality, we source our toner cartridges from original manufacturers. Our laser toner enhances your printer's functions by producing sharp and clear images. Various kinds of toner cartridge are available.

### 鐳射碳粉盒

供應原裝及代用碳粉，所有碳粉盒都由原廠生產，確保品質，打印效果清晰鮮明，定能發揮您打印機的最大效能，備有多款型號以供選擇。

## Tissue

Walker Paper supplies Pulppy Supreme toilet roll. This toilet roll has 30% more volume than other brands available in the market. Moreover, the rolls are produced under 172°C temperature and have passed stringent chemical tests in the laboratory. The toilet roll's anti-germs and anti-bacteria features ensure safety and hygiene for its users.

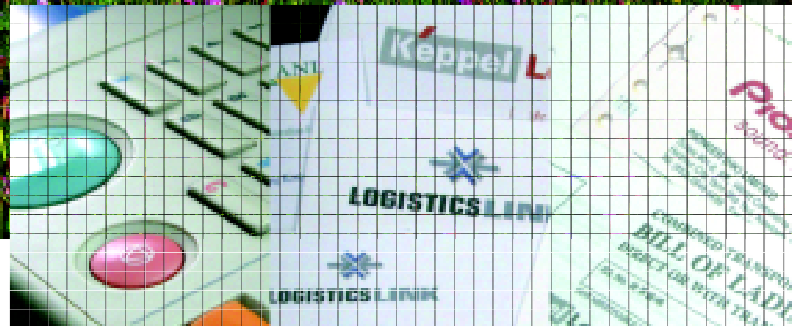

### 優質紙巾產品

永佳為您帶來"寶碧"優質紙巾系列，紙質柔韌，質量比一般紙巾多出30%，經濟實用。經172度高溫消毒及化學測試，保證不含細菌，令您用得安心。包裝設計獨特，形藍配色，最適合富時代感的您。

## Printing Service 印刷服務

## Computer Form Printing Service
